Thanks Alan. I am in the same boat in the 106 program and got caught in last week's calls from Oregon. I am bowing out on stage left and letting you all determine with Christine what is best to get through this grant cycle. :-)

Bevin, I am transitioning into that role. Jayne is the Regional 319 Lead and represents R10 on the 319 National calls. I am the "evolving" 319 Coordinator for Oregon. I am leaning a lot on Jayne and Jill until I get grounded. If Christine wants Jayne to be the contact regarding the State's 319 dollars relative to our CZARA decision, that's ok. Jayne and I will work together on this. Hopes this helps out. Call me if you have questions.

Alan

This related to Oregon's questions about the 319 program. Christine asked that the state work with Jayne regarding funding levels for the state on 319 due to the CZARA

issues.

Bevin,

Please refresh my memory. What questions? Thanks.

Thank you. I should have remembered. I will check in with Alan and Jill since OR is asking about funding from several years.

Alan just took it over from Jill Fullagar, so he's definitely the right person to contact. He's out of the office today (in Portland).

Jayne is the overall coordinator but is out this week. I am pretty sure that it is Alan Henning.

**Subject:** Time sensitive question: Who is the current OR 319 Coordinator

Hi,

I received a message from Adam Coutu of ODEQ looking to coordinate and answer questions regarding our budget numbers of a number of water quality programs including the 319 program. Nora was unable to answer his question and currently I can answer questions about 106 but that's it. Do you know who in the region is the current 319 coordinator?

Thanks in advance for your help,  
Bevin
